TOWER ECHOES

1960

FOREWORD

No matter what we do or where we go in life, each new day brings many opportunities to make new friends, to acquire and increase our knowledge, and to face new experiences.

We are always gazing into the future wondering what it will hold for us. But now we pause and retrace our steps back along the hallways of Pomeroy, the corridors of old C.H.S. and the new R.M.H.S. Thus we make a journey into the past, the past of four happy years commencing at Rice.

We of the yearbook staff wish this *Tower Echoes* of 1960 to be an escape into the realms of the past. If it in any way will preserve the many happy times and good friendships we cherish, it will well have served its purpose.

DEDICATION

It is the privilege of the class of '60 to select an individual who has encouraged and inspired this senior student body, as well as many other graduating classes in the past. In view of your outstanding work in preparing hundreds of seniors to take their rightful places in life, both in higher education and in the working world, we, the class of '60, respectfully and gratefully dedicate this Tower Echoes to you, Sister M. Baptista. We hope that it will serve as a lasting memento of our class in showing our sincere appreciation for the guidance and instruction you have so devotedly given us.

IN MEMORIAM

DOCTOR JOSEPH LECHNYR

We, as individuals and as a class, shall always cherish the memory of our deceased music director, Dr. Joseph Lechnyr.

Dr. Lechnyr greatly influenced our lives not only in the field of music, but by giving us always a true example of a devoted Christian gentleman. It was through his dedicated work for nearly forty years that many former students of both Cathedral and Rice learned to appreciate and to perform good and wholesome music.

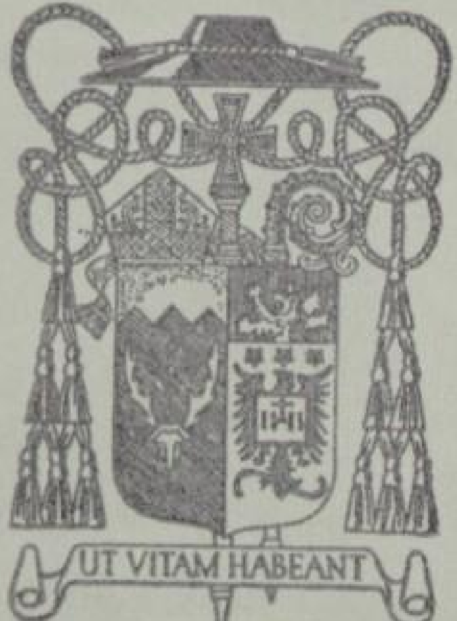
OUR BISHOP

HIS EXCELLENCY, MOST
REVEREND ROBERT F. JOYCE
BISHOP OF BURLINGTON



We, the class of 1960, are deeply and sincerely grateful for your guidance and consideration through our years of high school. We will endeavor to live up to your expectations of us as good citizens of our country, and faithful soldiers of Jesus Christ.

SCHOOL BOARD

Monsignor Crowley's work to advance the cause of Catholic education in Vermont has earned him both our thanks and our prayers. He has always strived to better and raise the standards of Catholic schools to greater heights. It is our hope that he will continue to guide the Catholic schools of Vermont for many years to come.

MONSIGNOR CROWLEY

MONSIGNOR TENNIEN

We, the co-editors of the yearbook, take great pleasure in presenting to our readers the members of the school board. These priests have shown a spirit of dedicated interest in regards to our high school, and have made many sacrifices involving time and personal effort for the benefit of the school, its functions and, above all, its students.

Their work is not often lauded or appreciated because of its very nature of being "behind the scenes." We would, therefore, like to take this opportunity to express our heartfelt gratitude and appreciation for the able administration they have provided for our beloved Rice.

ADMINISTRATION

We, the graduating class of 1960, express our most sincere wishes for health and future success in your undertaking with future graduating classes of Rice Memorial High School.

Now as we leave school, it is our duty to take our places as adults and to exercise the wonderful training we have received during these four years under your capable supervision.

REV. RAYMOND ADAMS

MRS. P. GIROUX

We will never cease to be grateful to you, also, Father Searles, for your cheerfulness and understanding. To you we could fly with all our problems and know that we would find encouragement and counsel in your words. May your labors among the students at Rice bear fruit a hundredfold in the future.

As our high school years come to an end, we look back with appreciation to the kindness and efficiency of our secretary and bookkeeper. You have been tolerant toward all of us and very often advisors, nurses, messengers, etc., and for this we shall always be grateful.

No one person nor any group that has been in association during a period of four years with a particular society within a special community can claim truthfully that this association has been without an effect. As students at Cathedral and Rice High Schools you have thus been influenced by, and, in reaction, have influenced an educational milieu that is democratically distinctive from any other. In this is the glory of our way of life. Undoubtedly all society is to profit by this fact - years to come will reap the strength of your having been citizens of our school during four important years. Unity from diversity - a oneness of almost a thousand students and the sixty individuals comprising the personnel of Rice High School.

Socially speaking, this unity is not unusual. All of you, and of us, constitute a school group within the framework of definite objectives and particular ideals. More profoundly, indeed theologically, our unity is rooted in more than the necessity of schools, more than the search for knowledge. Our "togetherness" is in Christ, the Way, the Truth, the Life. It is in the Body of Christ, which gives each one a value eternal. This infinite Christ has vitality for every person - Life for every one. This all-knowing Christ shares Truth, knowledge, with every mind. This all-present Christ walks, leads us, along the Way of justice, of peace, of love. May we hope sincerely that your friends, your associates over the years will notice this as a singular contribution to them and to society. What a tragic indictment if you don't dare to be different!

Graduation means separation; graduation means progress; graduation means achievement.

Separation is only from the forms, or molds, that were needed to set the foundation and structure. Progress in itself speaks of degrees - not completion. Achievement is only incentive - more to come.

You, the Class of 1960, have what it takes. We are convinced. If you are, prove it!

God bless you

ART DEPARTMENT

Left to right: Kathy Spencer, Mrs. Zimmerman, Maureen Foley, Pam Heinrich.

MRS. FLORE ZIMMERMAN

For the first time in the history of Cathedral and Rice, an art course was introduced under the instruction of Mrs. Flore Zimmerman.

Techniques in artistic and modern design, oil, pastels and sketching were available. An average of twenty-five students, divided into two scheduled classes, took advantage of this opportunity. This course was recognized as a scholastic subject and a half credit was attributed to it. The students, under this course, participated in poster contests and in exhibitions of their work in oil painting in association with pupils of other schools.

It is hoped that the study of art will lead to a richer appreciation of culture and beauty, thereby making better adults of its recipients.

THE LIBRARY

FRONT ROW: Sharron Calarco, Gail Shaughnessy, Joan Arnold, Beverly Brault, Patricia Stone. SECOND ROW: Margaret Spencer, Linda Pasha, Gail Sylvester, Clement Yandow, Paul Prairie, Wayne Oliver, Peter Metevier, Kathleen LeBeau, Karen Wolfe, Sharon Trombley. THIRD ROW: Alfred Provost, Betty Sullivan, Sally Lanzetta, Ruth Ragis, Sharon Brown, Janice Delphia, Mary Beth Sorrell, Jane Ruel, Patricia Guerin, Everett Bombard.

As Rice Memorial High School seniors count their blessings, they will have to number among them the happy hours spent in the ideally located, spacious library with its magnificent view of Lake Champlain, the Adirondacks, and the Green Mountains, a panorama surpassed by few schools in the state or nation.

The library furnishings in light maple are simple, practical and attractive. The seating capacity of eighty-five may be increased to one hundred. Very popular are the ten easy chairs upholstered in green and beige to match the color scheme of the room.

The book collection numbers five thousand one hundred fifty books, five hundred fifteen of which have been purchased at a cost of three thousand dollars since the opening of Rice Memorial High School on February 2, 1959.

The circulation of books averages one hundred twenty-five books daily, and keeps the three librarians, Mrs. John Donoghue, Sister Rita of Jesus, F.S.E., and Sister Mary Annita, R.S.M., and their thirty student assistants well occupied. The library assistants are all members of the NATIONAL CATHOLIC LIBRARY ASSISTANTS ASSOCIATION.

The entire library personnel wish to express their gratitude to the Rice Memorial School Board, to Reverend Raymond Adams, Reverend Wendell Searles, the faculty and the student body for the excellent assistance and cooperation they have received while endeavoring to service the library efficiently.

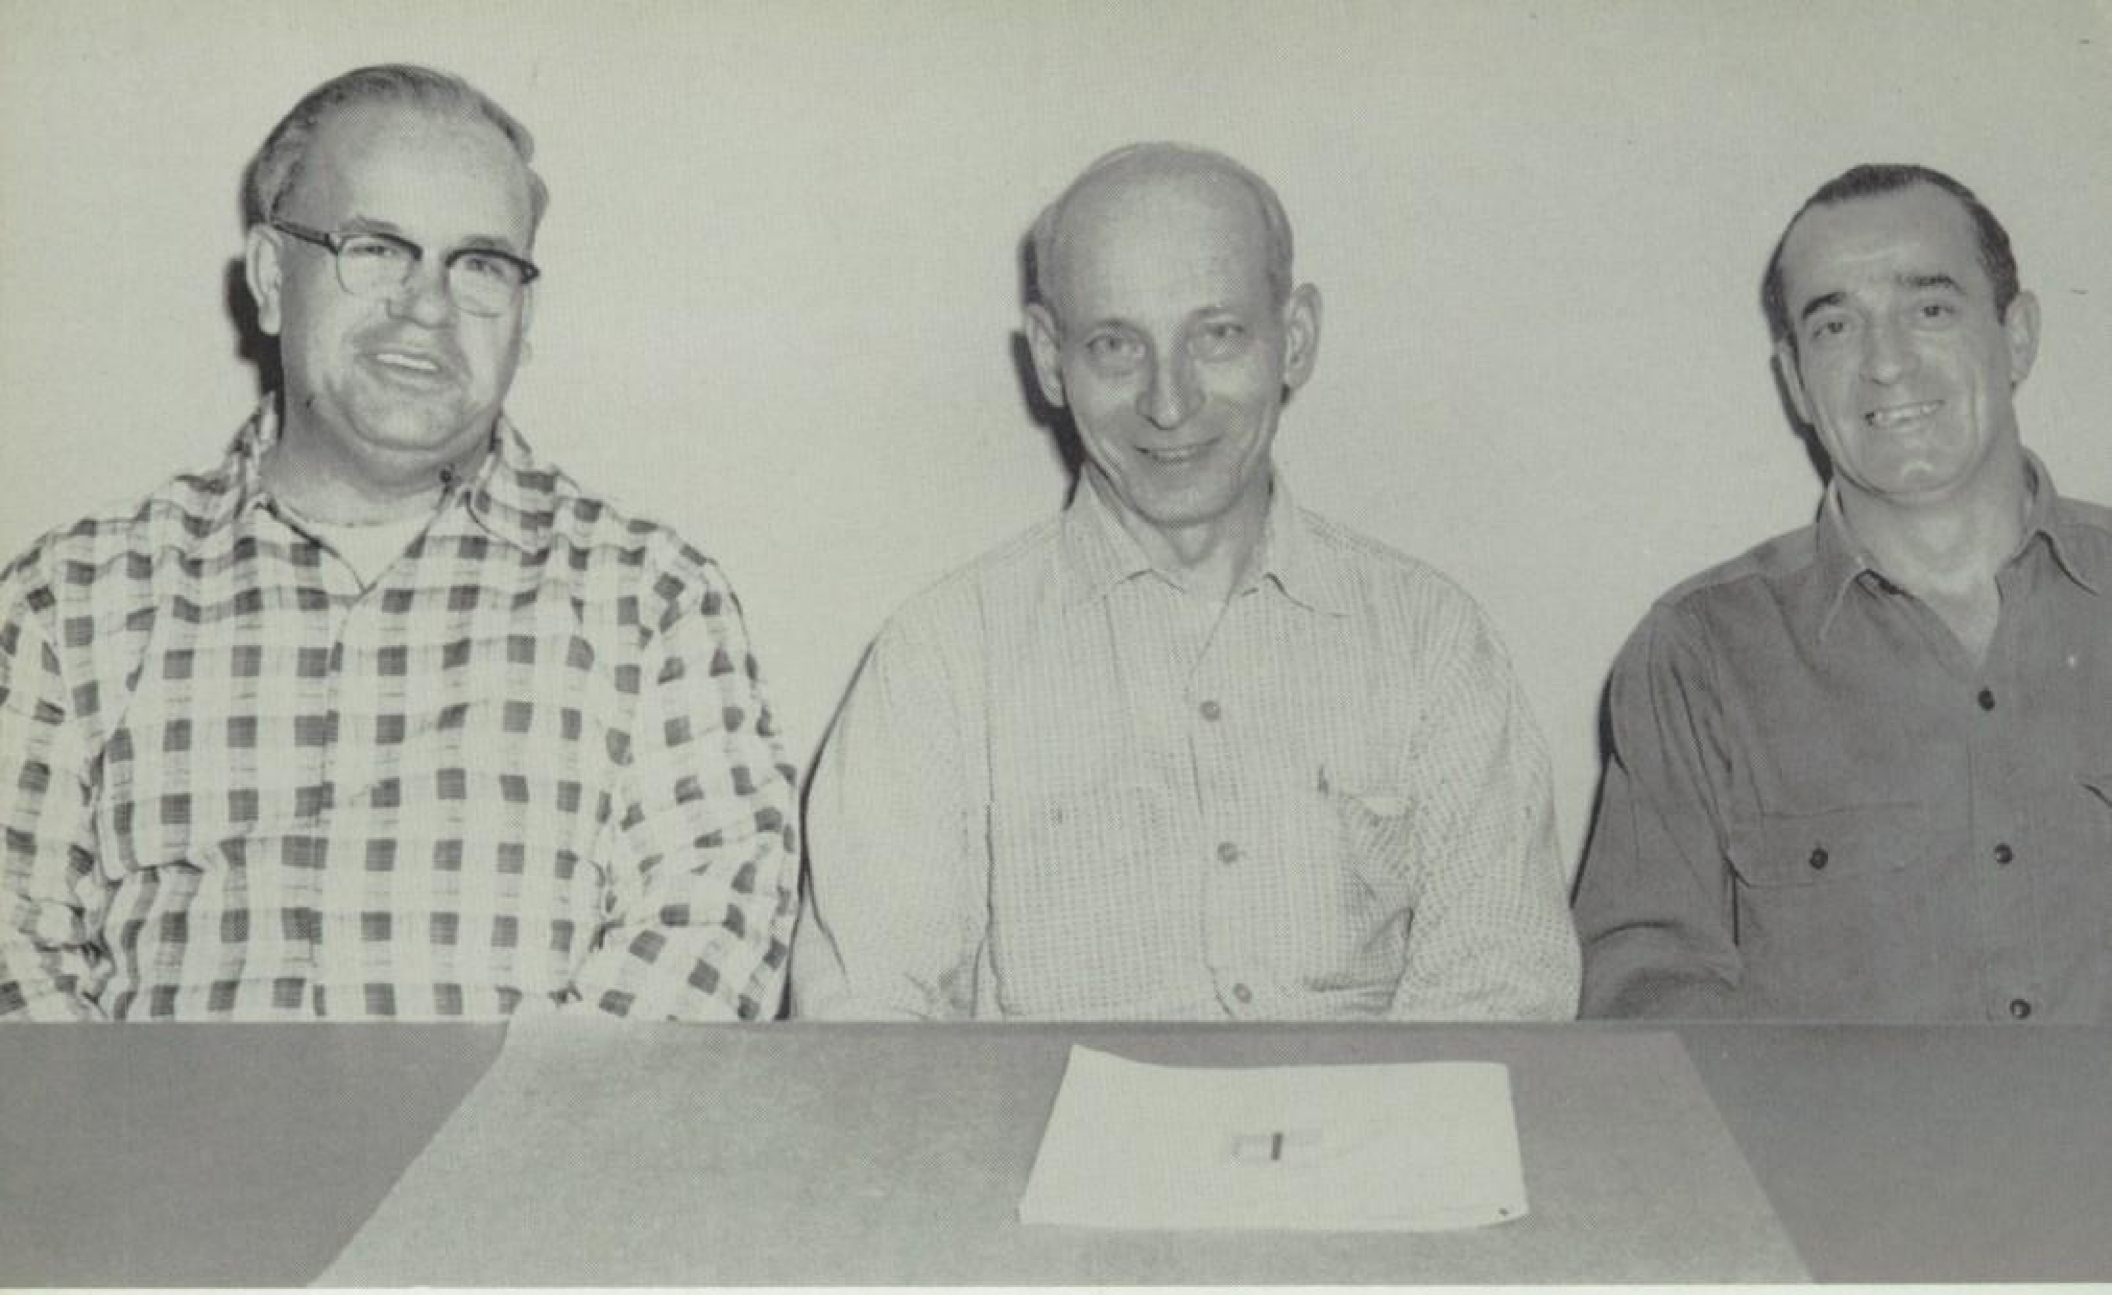
UNDERNOURISHED???



Left to right: Mr. Laurence Barney, Mr. Clement Martin, Mr. Joseph Bessette.

Anyone who has come into our school could not help notice the cleanliness of it. The floors shine, the walls are spotless, and the heating is well regulated. This is entirely due to the work of the corps of maintenance men who have always done an efficient job.

This trio has been willing to help out at all school affairs and dances. They've been very kind and helpful to us on the yearbook staff. Their sense of humor and even disposition were present at all times. Because of this, we want to express our gratitude and appreciation and we are certain that the whole student body and members of the faculty are in accord with us.

STUDENT COUNCIL

This year the Student Council began its work by assuming the management of the Student Store, which it maintained throughout the year. The class elections in October, handled by this body were more orderly and democratic than in previous years because of the uniform ballots which were used.

At Christmas the Council sponsored a benefit dance, the proceeds from which were used to purchase boxes of food for the needy. Other projects undertaken by the Student Council have been weekly socials, bus trips to out-of-town football and basktball games, and a Tag Day Dance.

MR. MAURICE VILLEMAIRE

MUSIC

This year we have among us a new music director, Mr. Maurice Villemaire. Due to the untimely death of Dr. Lechnyr a gap has been left and Mr. Villemaire has taken over his new duties very well. We want to thank you, Mr. Villemaire, for doing such a capable job.

The "cream of the crop" might be used to describe the members picked for this honor. The members of both the band and the chorus that are chosen for All-State are the members with the most years in their respective activities and the members with the most ability. The members gather for three days of practice before the final concert and after it is over, all that is left is a mind full of wonderful memories.

FOOTBALL

The Little Indians' gridiron squad of 1959 was much more successful than the record indicates. The team lost to Brattleboro and St. Johnsbury by close margins. The "Tribe" was also the only team to defeat Rutland and Mt. St. Joseph. The biggest thrill for everyone concerned was our victory over Burlington in the final game of the season when Tom Perras scored with only two minutes showing on the clock. The Landersmen completed the season with a very respectable record of four wins and four losses. This was mainly due to hard work, hustle, and excellent coaching by Bill Landers, Ray Tafrate, Bob Noonan, and Jimmy Martin.

When graduation rolls around in June it will be time for the coach to bid farewell to such men as: ends, Tom Perras, Pete Smith; tackles, Ronnie Oliver, Pete Durochia and "Agony" Gilmore; guards, Bill McKenzie, Pat Mahoney and Mike McGarry; center, Dave Keller; quarterback, Marty Fitzgerald; fullbacks, Tim Terrien and Jim Leddy; and halfbacks, Doug McCarthy and Armand Lepage.

To continue with our winning ways, the coach will look toward Bobby Carver, Tony Valenti, Mich Thibault, Jimmy Couture, Pete Lavalee, Dan Stone, Jerry Premo, John McLaughlin, John Donoghue, and Rodger Duquette.

The seniors who are departing will regret handing in their helmets but they may be consoled by the fact that they will never have to hand in their gridiron memories. Memories like jarring tackles, recovering fumbles, and most of all defeating Burlington in our senior year can never grow dim.

Although Rice did not have a very impressive record, the team showed much potential throughout the year. They played well and lost many games by only a few points, often outscoring their opponents from the floor but losing on the foul line.

Marty Fitzgerald was the high scorer, and Tom Perras and John Donnelly were outstanding. Mike Rivers, Tom Gabbeitt, Joe Gannon, Jim Leddy, and John Navin all saw a lot of action on the court.

Returning players are Matt Quinn, Mich Thibault, Russ Tilley, Bob Viau, and Jerry Premo.

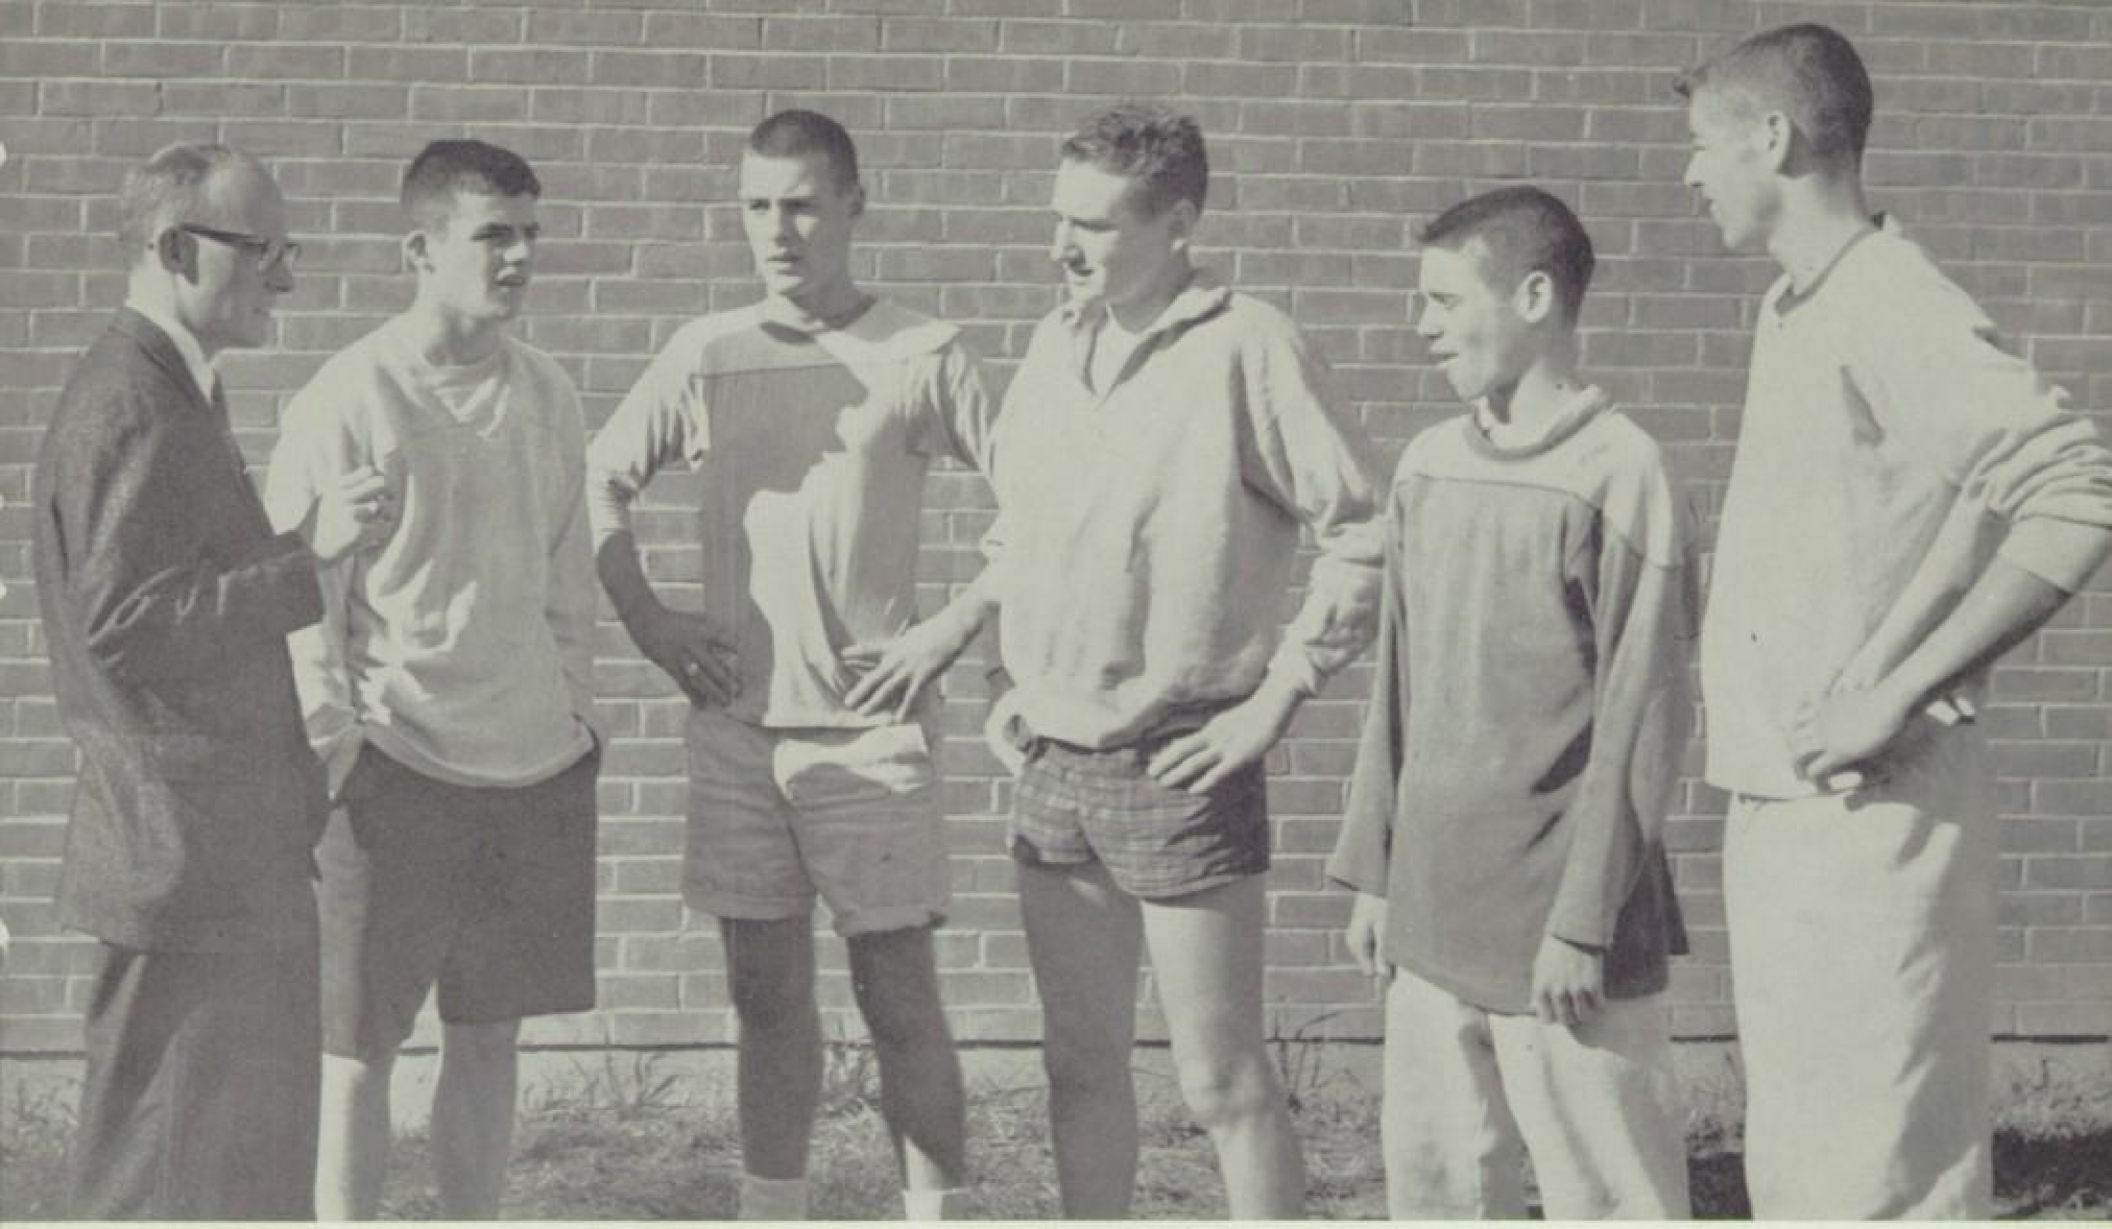
JUNIOR VARSITY BASKETBALL

FRONT ROW, left to right: Bobby LeFebvre, Billy Blanchard, David Dion, Walt Beck, John Wheeler, Bob St. Laurent, Charlie Finnigan.
SECOND ROW: Bob Irish, William Roy, Joe Oakes, Sam Bostock, Jim White, Reo Yarnell, Rusty Roberts, Dan Stone (manager).

J.V. BASKETBALL

Coach Jim Martin's first year at the helm of junior varsity basketball and was marked by a great deal of hard luck. The record for the team was 4 wins and 14 losses, but all of the games were played with a great deal of enthusiasm and spirit. As the boys grow older and gain more experience, we are sure that they will be a valuable asset to the varsity.

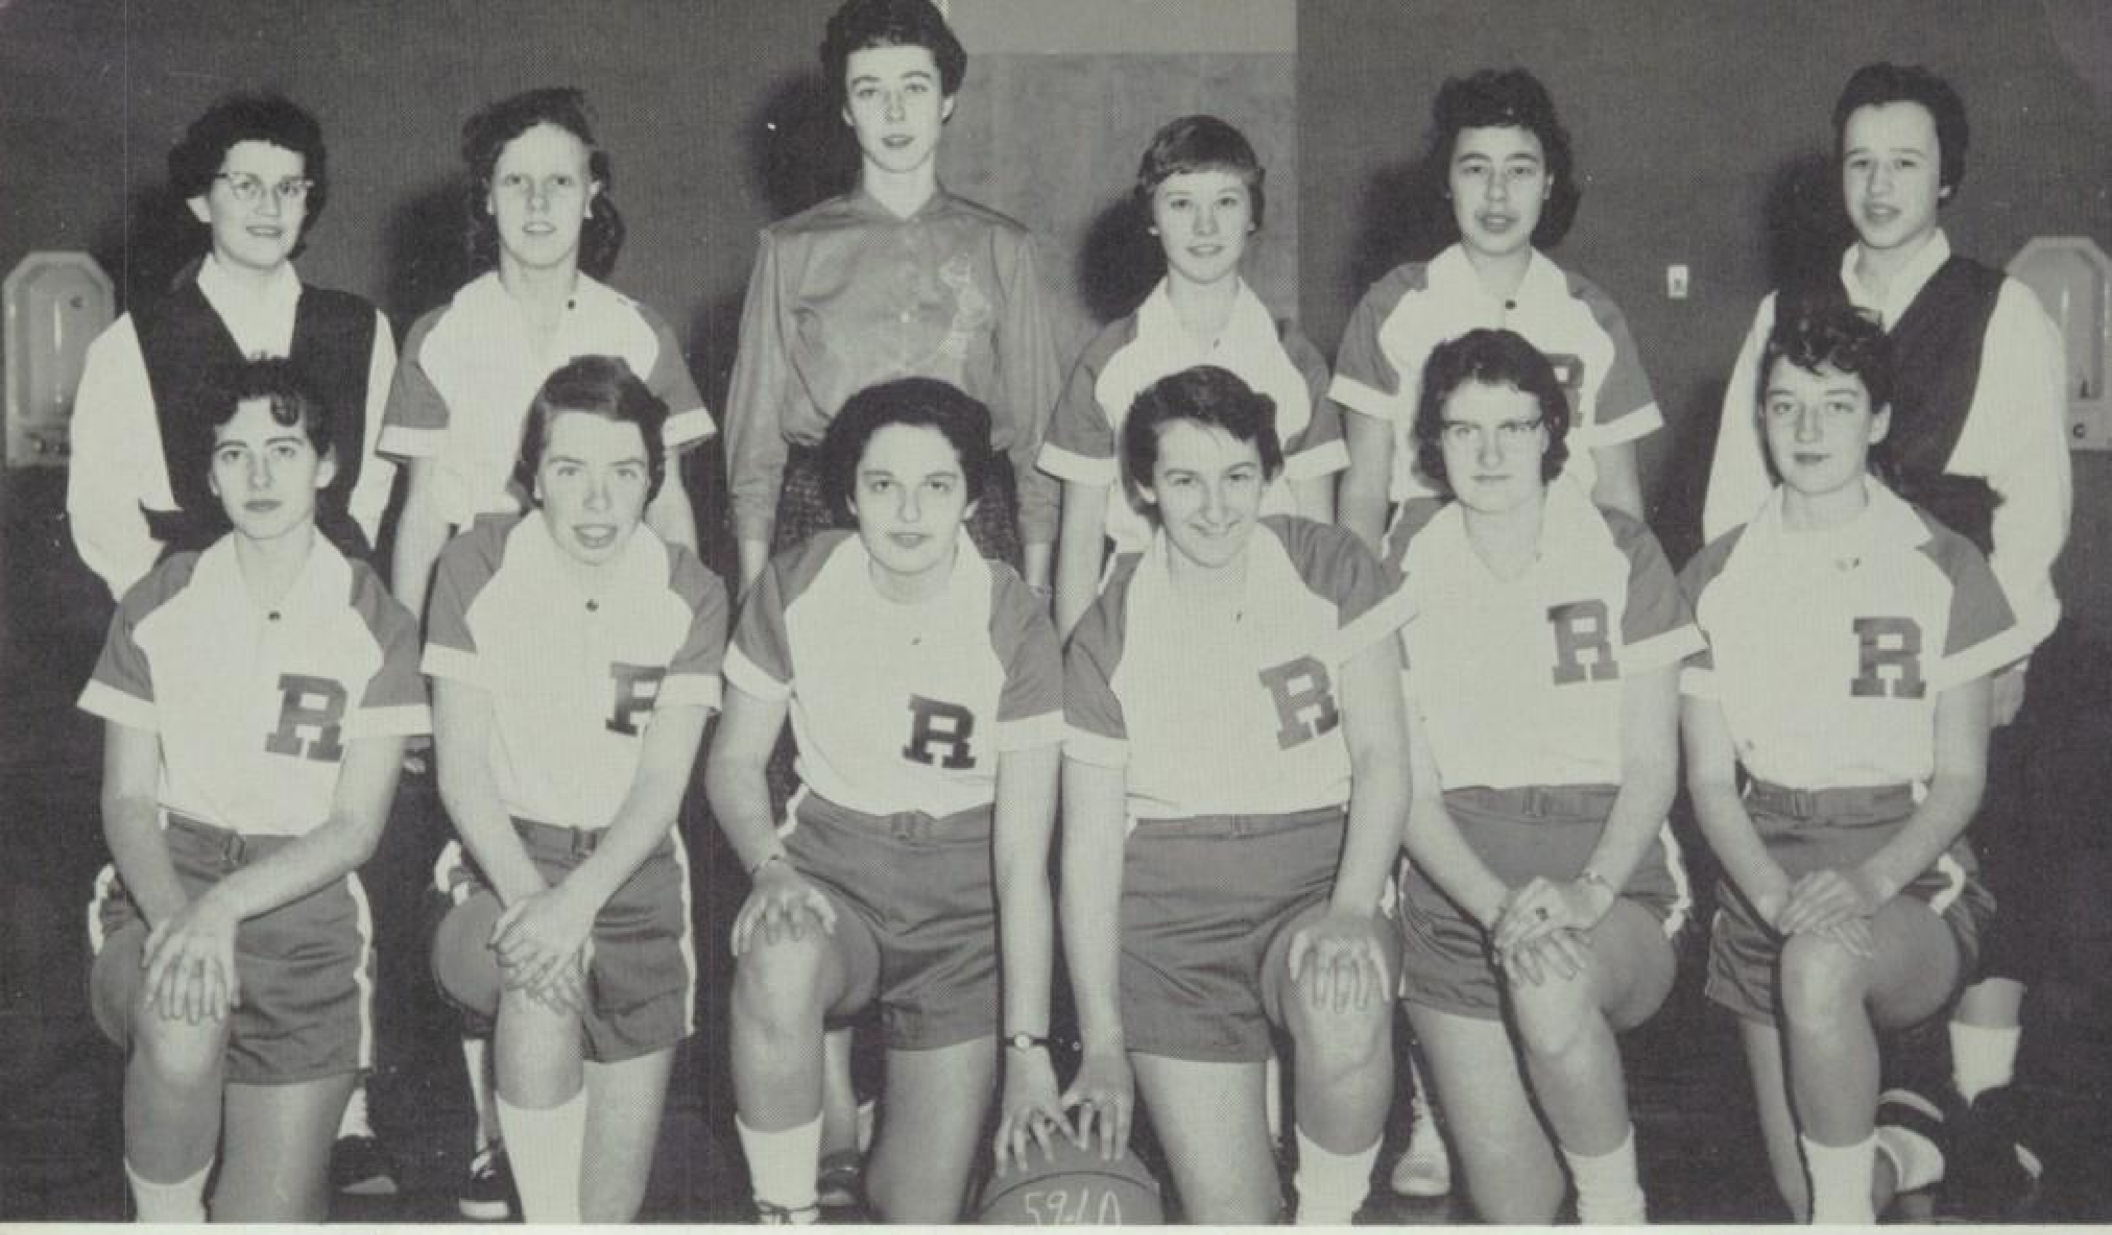


Left to right: Coach Bob Noonan, Jerry Desautels, Tom Henry, Jim Ruso, Norm St. Laurent, Mike Rivers.

CROSS COUNTRY

Under Coach Robert Noonan, cross country took its rightful place for the first time in the athletic program at Rice. The team competed in five meets, winning one and losing four. The record is deceiving, however, because it does not show how close Rice came to winning in each of the four meets in which it suffered a defeat.

Mike Rivers and Norm St. Laurent were the standouts. Rivers won the five preliminary meets, placed third in the state meet, and fourteenth in the New England Meet. St. Laurent did very well in the preliminary meets, placed sixth in the state meet, and thirty-second in the New England Meet. With only Jerry Desautels and Tom Henry lost by graduation, the 1960 team can look forward to a successful season.



PAT BROWN

GIRLS' BASKETBALL

PEARL SOURDIFF

The R.M.H.S. Squaws ended the season with two wins and nine losses. Even though the girls had an unsuccessful but ambitious season, they showed excellent sportsmanship at all of their games.

Next year, the Rice Memorial Squaws will be without the services of their (co-captain) Pat Brown, and Pearl Sourdiff, and Catherine Dougherty.

High scorer for the team was Pat Brown with 284 points, followed by Pearl Sourdiff with 114 points, and Joan Mongeon with 60 points.

The members of the squad extend their sincere thanks and appreciation to their coach, Mrs. Maureen Murphy, her assistant, Miss Margaret Lemon, and also to Miss Patricia Healey for the time and effort that they have spent with the girls.

Many thanks are also given to the co-managers, Janice Couture and Gloria Yandow.

GIRLS' J.V. BASKETBALL

The Junior Varsity team for the Rice Memorial Squaws shows promise for the future.

The girls, under the direction of Mrs. Maureen Murphy, and her assistant, Miss Margaret Lemon, showed that the valuable experience that they gained will prove to be useful in the future.

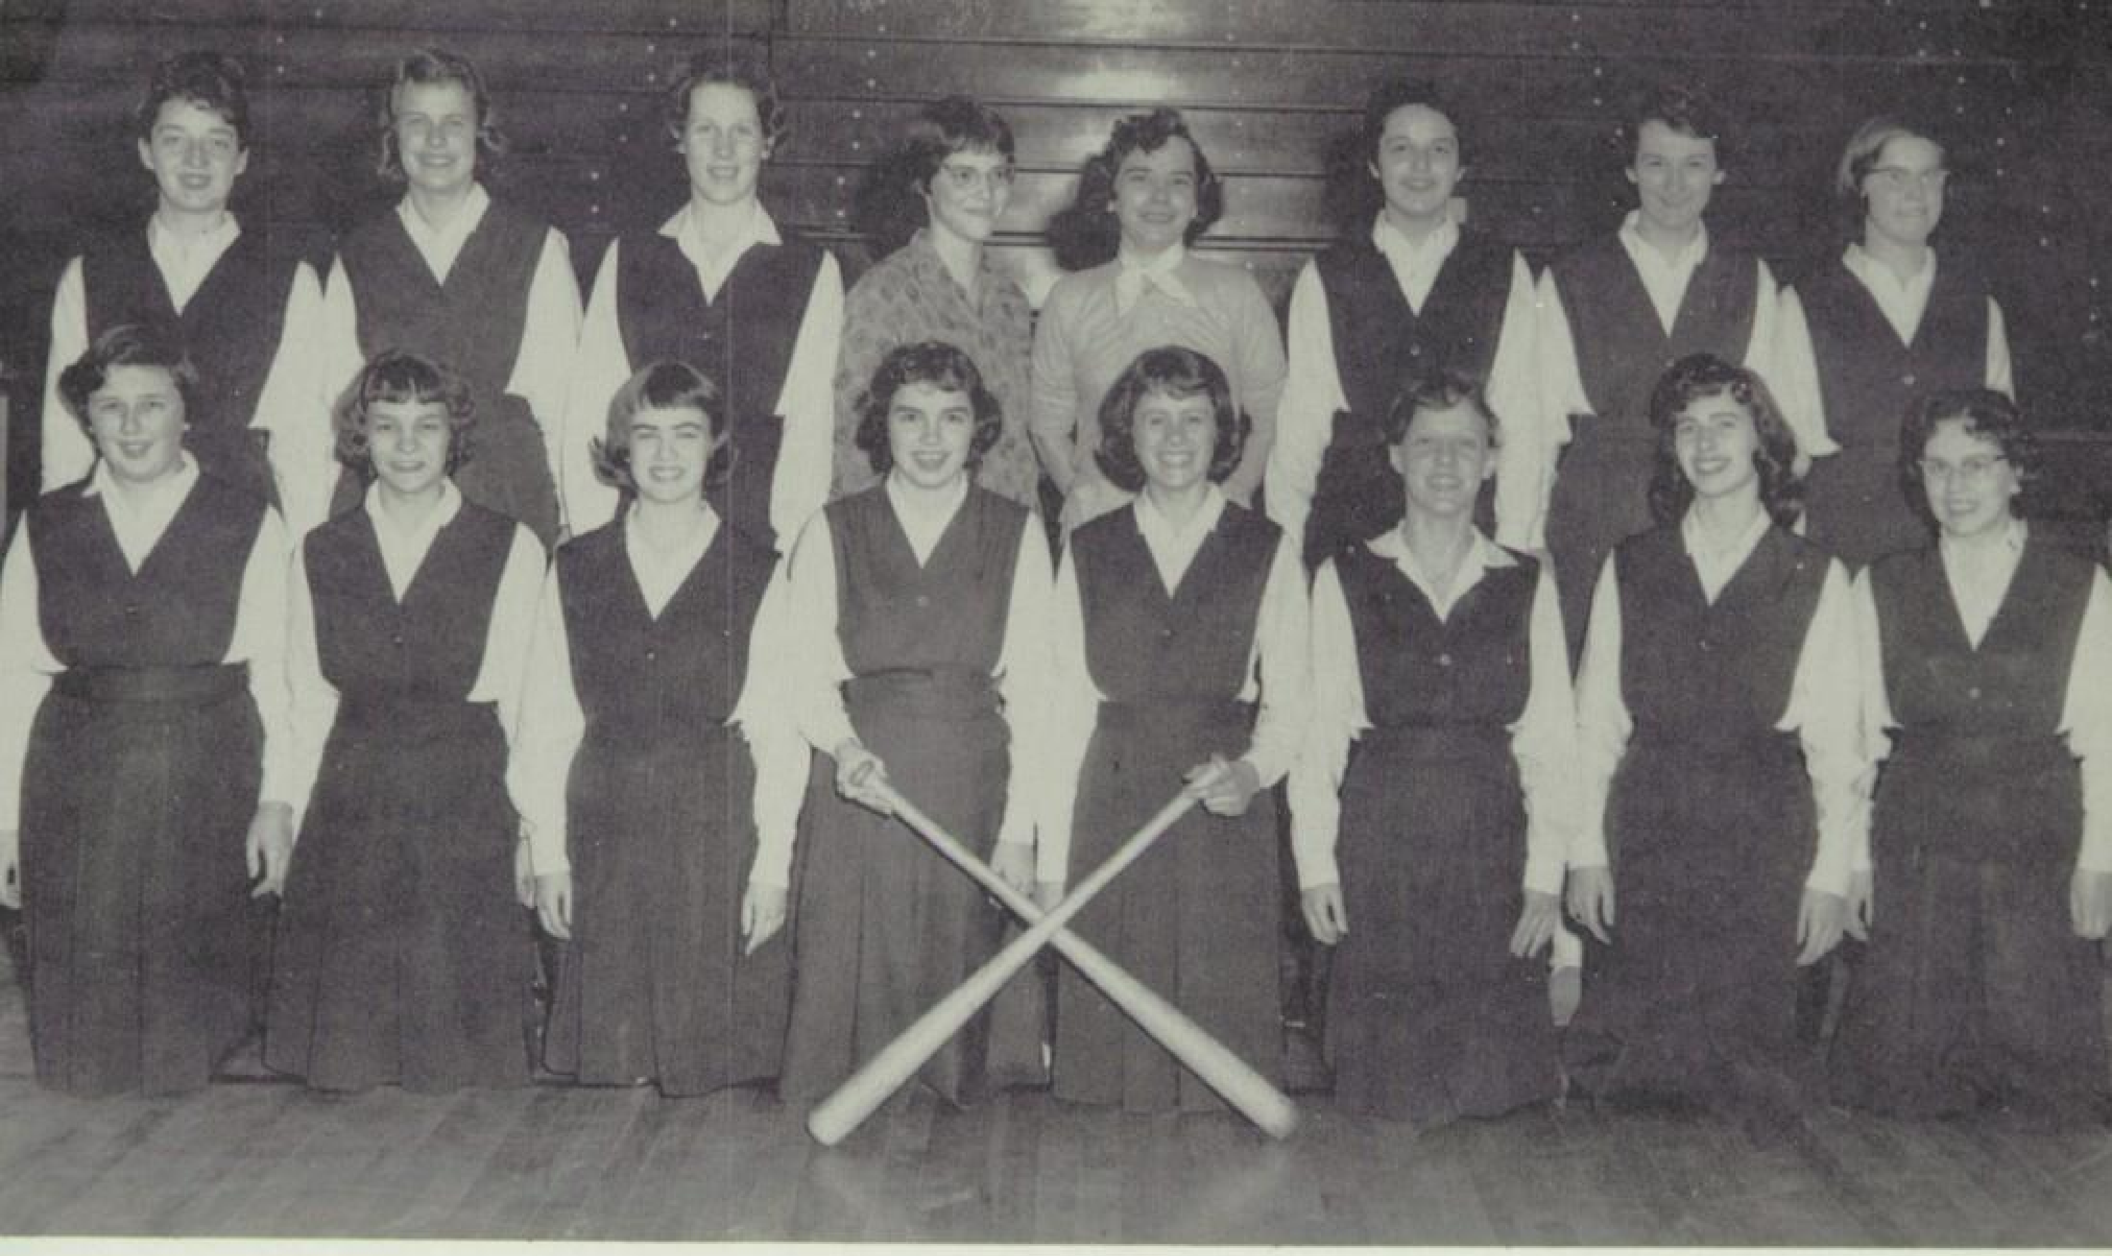
High scorer for the girls, was Sharon Brown with 85 points, followed by Mary Rivers with 36 points, and Elaine Mongeon with 34 points.

FRONT ROW, left to right: Mike Rivers, Ronnie Oliver, Larry Walsh, Mgr. Tom (Toes) Perras, Marty Fitzgerald.
SECOND ROW: Butch Cote, Bob St. Laurent, Norm St. Laurent, Dave Allen, Russell Tilley.
BACK ROW: Richard St. Laurent, Coach Ray Tafrate, Jim Russ.

TRACK

Although the track season has not arrived as of now, we are looking forward to a very successful year. Even though last year wasn't very successful, it was a building year. We have five boys returning who placed in last year's State Meet. These are Tom Perras, Dave Allen, Ron Oliver, Mike Rivers, and Mary Fitzgerald. Other returning lettermen are Russell Tilley and Butch Cote.

This year Ray Tafrate will assume the head coaching chores and we're sure he'll do well.



FIRST ROW: Pat Cox, Doreen Mongeon, Joyce Allen, Joan Campbell, Sue Audette, Pearl Sourdiff, Catherine Dougherty, Janice Couture.
SECOND ROW: Gail Kaufman, Sharron Thombley, Linda McCaffrey, Mary Fish, Miss Healey, Barbara Risik, Pat Brown, Paulita Pashby.

GIRLS' SOFTBALL

The Rice Memorial Girls, two years ago, under the direction of Miss Patricia Healey, had a good softball season with 5 wins and 2 losses. Last year the girls didn't have a regular team, but they did play a few scrimmages to keep them in shape.

The girls from Rice hope to continue having a regular softball team each year, representing their new school.

Next year the Rice Memorial team will be without the services of Pat Brown, Pearl Sourdiff, Catherine Dougherty, Ann Beck, and Janice Couture.

Returning next year to continue their winning streak will be Carol Allard, Sue Audette, Joyce Allen, Sharron Beck, Pat Cox, Mary Fish, Gail Kaufman, Linda McCaffery, Lynn Morin, Carol Niquette, and Barb Risik.

FRONT ROW: Mary Pat McGowan, Sue Audette, Norma Danis.
SECOND ROW: Doreen Mongeon, Joyce Allen.
BACK: Cookie Sorrell, Judy McKenzie, Joan Campbell.

CHEERLEADERS

We dedicate these pages to the girl cheerleaders who this year overcame a great obstacle, that of having cheerleading limited to boys, only.

Under the leadership of Sue Audette they encouraged our boys to renew their efforts. They cheered the teams on to victories and consoled them in defeat.

Although Rice did not enjoy an especially successful season, our cheerleaders helped to pep up team and student morale, which is just as important as numerous victories.

BACK ROW, left to right: Ruthie Garriepy, Kathy Gannon, Mary Kay Wilson.
SECOND ROW: Carolyn Pratt, Carol Langlois, Terry Varricchione.
FRONT ROW: Anne Marie Trudell, Elaine Morgeon, Judy Lavallee.

CHEERLEADERS

FRONT ROW, left to right: Wayne Oliver, James Gravel, Michael Daley.
SECOND ROW: Chris Keelty, George Boucher, John Joachim.

SECOND ROW: Daniel Stone, Pete Durochia, Coach—Ed Keenan, Michel Allen, David Folts.
FIRST ROW: David Mallory, Robert Moisan, Terry Aiken, Riberd Vondle.

RIFLE TEAM

Rice is fortunate in having a well-organized rifle team. Under the direction of Ed Keenan, our rifle team has had postal matches with Davenport H.S. (Dover, N. H.), W. Philadelphia Catholic H.S., Bangor H.S., Northfield H.S., Colorado Springs H.S., and Burlington H.S.

Pete Durochia and David Mallory are the only seniors who will be lost to the team through graduation, and therefore, next year's team should be very successful.

A BIG
FUTURE
FOR
ANY GIRL

When you graduate it's wonderful to have a telephone job waiting for you. You'll love the friendly new people you meet. And you'll like the excellent salary, the regular increases, the opportunities for advancement and the many additional benefits that make working for the Telephone Company so attractive to so many young people.

Telephone jobs are important ones. We have our own training program which you can enter without any previous job experience.

Why not come and see our employment interviewer soon . . . before you graduate. Ask the Guidance Counselor at your school to tell you when and where to apply.
